

Teacher Level Questions to ask about the Forefront Screening Assessment results.

Looking at the Standards View report:

- Are there standards I am very successful at teaching? Why is that?
- Are there standards I am not as successful at teaching? Why is that?
- What instructional changes are needed?
- Am I emphasizing instruction in alignment with the students' needs?

Looking at the Item Analysis report:

- Are there areas/topics I am very successful at teaching? Why is that?
- Are there areas/topics I am not as successful at teaching? Why is that?
- What instructional changes are needed?

Looking at the Growth report:

- Are my students growing at the necessary rate to be successful at the end of the year?
- How can I accelerate growth by more affectively supporting students?

General

- What collaboration or coaching do I need to support student learning better?
- What instructional strategies do I need to investigate?
